Theme – “Gardening With Kansas Prairie Plants and Grasses”

Dear Prospective Exhibitor:

In an effort to promote area home and horticulture business, and to provide educational opportunities, the Harvey County Master Gardeners are hosting the annual Harvey County Home and Garden Show [HCH&GS]. The dates are scheduled for Saturday, March 10 from 8:30 a.m. – 5 p.m. and Sunday, March 11 from Noon – 5 p.m.

This event will be in the National Guard Armory at 400 Grandview in Newton. The show theme is **“Gardening Wise – Kansas Prairie Plants and Grasses”**.

This year at the show a kids make a **“Sketching and Imprinting”** decorating activity for youth.

This is prime time for planting and home remodeling and will make a great event. Speakers, both local and statewide, are confirmed for the educational seminars and sponsors have been secured for the show.

In addition to local and state advertising for the show, a website will give detailed information. All participants will be listed and links provided, if they have their own website. In order to include your business information, we must receive your registration no later than **March 1**.

This year we will offer two booth sizes. The smaller booth size (8' x 8') costs \$20 per space (limit 2). The larger booth size (10' x 10') is an affordable \$30 (limit 2). If you would like electricity there is an additional fee of \$5 per booth. After March 1, the fee will be \$30 and \$40 per booth space. Please see the enclosed registration form. **Your booths must be staffed from open to close, both days of the show.** Admission fee includes all educational seminars. To help beautify the show, we ask that you include at least **three square feet** of living plant material in your booth.

The Harvey County Extension Service, Master Gardeners Volunteers and the National Guard Armory are not responsible for lost/missing/stolen items or for accidents. We encourage exhibitors to have liability insurance. If you have further questions, please call me at (316) 284-6930.

Sincerely,

Scott Eckert

Signature of Representative

We are offering a Grand Prize this year. To win, attendees will fill out a questionnaire. Please submit one multiple choice question about your product or service. Attendees should visit your booth for the answer. Drawing for the grand prize will be held at the end of the garden show from the completed questionnaire.

K-State Research & Extension is an equal opportunity employer & provider. K-State Research & Extension is committed to making its services, activities & programs accessible to all participants. If you have special requirements due to physical, vision or hearing disabilities, please contact Scott Eckert at 316-284-6930.
